

AMIT BISHT

Fullstack developer

Phone: +91 9205688402

Email: amitttbst@gmail.com

Location: New Delhi, India

Full Stack Developer skilled in the MERN stack (MongoDB, Express.js, React.js, Node.js), with experience building responsive, scalable web applications. Strong in RESTful API design, database architecture, and clean, maintainable code. Quick to adapt to new tools and frameworks as project needs evolve.

Technical proficiency: HTML5, CSS3, JavaScript, MERN Stack.

EMPLOYMENT HISTORY

Full stack developer (Intern)

Jan 2026 - Present

My Ape Developer • New Delhi

- Developed and maintained responsive WordPress and custom-coded websites for clients across various industries, including healthcare clinics, e-commerce stores, and business websites.
- Built and customized front-end interfaces using HTML, CSS, JavaScript, React.js, while assisting with back-end development using Node.js, Express.js, and MongoDB.
- Collaborated with the development team to deliver client projects, optimize website performance, fix bugs, and ensure cross-browser compatibility and responsive design.

PROJECTS

Business Websites

(rshairandskinclinic.com, finmarkaccounting.com.au, suryavanshfoundationtrust.com)

Technologies: PHP, MySQL

- Developed a responsive website for a hair transplant and skin clinic with service pages, doctor profiles, appointment forms, and contact functionality.
- Optimized the website for user experience, mobile responsiveness, and fast loading performance.

E-Commerce Websites

(revoexp.com, konnectcarparts.com, muniformworld.com)

Technologies: WordPress | Shopify

- Built an e-commerce website featuring product listings, category filtering, shopping cart, and responsive user interface.
- Assisted in implementing backend functionality and database integration to manage products and customer interactions.

Digital Marketing Agency Websites

(myapedeveloper.com, zenxcreatives.com)

Technologies: HTML, CSS, JavaScript

- Designed and developed a professional website for a digital marketing agency showcasing services, portfolio, testimonials, and contact forms.
- Created a modern, responsive layout with a focus on performance, SEO-friendly structure, and an engaging user experience.

SKILLS

HTML5, CSS3, Bootstrap, Javascript, MongoDB, Express.js, React.js, Node.js, PHP, MySQL, WordPress, Shopify, User Interface Design, Web Development,

Responsive Web Design.
